

Show & Tell

June, 2024

Bee Quilters Group

These quilts were made using a paper piecing impromptu method with our scrap fabrics. We started with strips of receipt paper. Once we had lots of strips created we set them in a variety of ways to create the quilt tops. All were donated to service. The members of the Bee Quilters group include; Amy Eckrich, Joleen Green, Yolanda Halferty, Sherry Lang, Nancy Lathrop, Vicki Reynolds, Deb Totemeier, Barbara Yoder, and Sarah Yoder Parker.

The table runner is called *Labyrinth*. It is a free pattern I downloaded from Connecting Threads. I quilted in the ditch and then put a small star in the corners with a ruler. This was made for my table for the 4th of July holiday that is approaching. 42.5" x 12"

The Moth Quilt was started using the moth from the Jane Sassaman Moths and Moons workshop that was taught in September 2022. I added the kaleidoscope blocks as a border, from a taught class by Joleen Green. The moon pattern was duplicated and quilted at all four corners as was the ivy appearance throughout the quilt. Quilting was provided by Sarah Parker Yoder.

This cute fabric is from Dan Morris. I pieced together the back with a few extra blocks and didn't discover until I finished quilting that the blocks were all upside down to the front. Oh well!

I used Marsha Derse fat quarters to complete this quilt. It used a Treasure Hunt panel by her on the back and it also adds the pop of color in the front. The pattern is *Phoenix* by GE designs. It was quilted by Kristin Hoftyzer in a Triangle Tangle design. 56" x 80"

Strip Stacks is a 2009 pattern by GE designs and has been on my 'to do' list for awhile. I needed more than the 53, 2.5 inch strips as indicated on the pattern to complete the full size quilt. The background is Kaffe Aboriginal dots. The quilting pattern used is Saturn Swirls. It is an original pattern by my quilter, Kristin Hoftyzer. 71" x 97"

This quilt started with a Bonnie and Camille charm pack. I liked the color combination and it was something different for me. I used a pattern called *Linked Up* from Missouri Star. The quilt was quilted by The Fabric Stasher in Tipton. 71" x 80"
