## December, 2024

## Bond Drager

The pattern for this wall hanging is called Evergreen by Deb Eggers. The fabric was purchased with the pattern in a kit. I think it came from Stitch-n-Sew Cottage in Kalona.

Fall Flying Geese is a simple pattern called “Lazy Goose” and will be used as an extra blanket for my home. I used fabric from the Woodland and Wildflowers line from Moda. It was overall quilted by Sarah Yoder Parker in a beautiful fall pattern with oak leaves, cattails, and swirls.

Christmas Tree is a paper piece pattern that I made to be used as a wall quilt. I wanted to use all my Anna Marie Horner fabric and others that were bold and festive, which also matched my eclectic home colors for Christmas. Overall quilting are fun intertwining circle bubbles and done by Sarah Yoder Parker, which added to the holiday moment.

## Sarah Harris

My great aunt Rhoda made a stocking for each of her great nieces and nephews (there were 17 of us!). We each had ours for our first Christmas! Since my stocking holds very fond memories, I made stockings in a similar design for my family.

The table topper was made by my mother-in-law Carol, she never finished it. I quilted it and am using it in her nursing home room this year.

## Bonnie Jenkins

The tree skirt was made for my granddaughter who is in her first home and setting up Christmas for the first time. She gave me short notice! (two weeks) If I had had more time, I would have liked to have done more quilting and embellishing on it.

## Glenda Skallerud

The 2023 Strip Along with GE Designs reminded me I had a kit utilizing the pattern. The construction is done using partial seams. The fabric is from a Connecting Threads kit of some retro winter themed fabrics. It was quilted by Kristin Hoftyzer with a Snow Winds pattern. 41" x 61"
